The Lester~Turner Broadcast

Sunday, September 10, 2017 was a great day to honor two of our members (posthumously) that we named our Broadcasting system after because of the many contributions they made: Dr. Harold Lester and Dr. Bill Turner. Both men were loved and respected by this congregation and countless others.

Those who contributed toward this effort were: Mr. Jim Host, Mr. Jim Boswell, Mr. Mike Brown, Ms. Martha Lester, Mr. Jeff Minor, Dr. David Kirn, Dr. Lowell Eberwein and Mr. & Mrs. Paul (Carol) Taylor. Jim Host was the originator of our church’s broadcasts with a laptop computer on i-Hi. He contributed to the new cameras and his action resulted in retrieving the camera money from the first camera supplier. He has been a major supporter of our church broadcasts throughout the years. Mike Brown deserves a huge “Thank you” for obtaining the cameras, setting up the system, furnishing all the wiring without cost to the church, and donating countless hours until the video and audio were in working order. Jeff Minor was one of the design architects for the camera setup. This multiple camera set-up allows the operator to keep the picture interesting by shifting to the audience-especially during the sermon. Jim Boswell spent...

**September 17 (Sunday)** – Worship at 11 a.m., followed by our Annual the better part of a month constructing the broadcast booth, as well as constructing the raised floor under which all electrical feeds pass. His construction looks like it was completed by the original builder. David Kirn gave with a generous, willing spirit when asked to contribute. Lowell Eberwein contributed to the original financial drive and solicited funds for the project. He felt his role was to keep the “crew” on task in spite of setbacks, remain positive and constructive, and to communicate updates about the broadcast to everyone. Martha Lester stepped up when we were short of money to purchase the cameras. She graciously accepted the challenge with the stipulation that her husband, Harold Lester be honored. He was the first operator of the computer which broadcasted our services on i-High. But we also wanted to honor the man who enjoyed telling jokes, extending a friendly smile and most of all, the man who was so dedicated to the broadcast project. Harold’s dedication to our church’s broadcast deserves our sincere appreciation. Paul and Carol Taylor stood in the gap when the first provider failed to provide cameras and we needed a sizable contribution to be paired with the technology budget to make the purchase. Paul and Carol met this challenge with the stipulation that Bill Turner be honored. Bill had such a positive influence on our church. He often stated, “I’ve ministered to a number of churches, but never a new church.” He helped Faith Fellowship grow and led us through a merger and shared his Biblical knowledge with us each Sunday. To preserve and honor Bill, we have kept over 20 of his sermons on our YouTube website. Dr. Bill Turner’s dedication to our church deserves our sincere appreciation. Others who helped were Ron Reaguer, Charlotte Krasinski, John May, our Administrative Board and all members who contributed to the church budget. It took the entire church to develop this broadcast system. Pictured on the first page are Dr. Earlene Rentz Turner and Ms. Martha Lester who accepted the Lester~Turner Broadcast plaque. The plaque will be displayed at the back of the sanctuary near the Audio/Visual booth. We appreciate the generosity of each of these individuals. Because they were willing, God was glorified and two servants of Christ were honored.

**Unity Hymn Sings**

By Dr. Carolyn Purcell

What are your ten favorite hymns? **For the next month, we will have a box in the entry hall for you to leave a list of your favorite hymns.** When we are ready to start our monthly hymn sings, over time we will use all of your favorites. Hopefully, we will each learn a few “new” ones. They may be new to some individuals, but they will all tell the old, old story.

Pictures will be taken in room 3, across from the Church Chapel in the left hallway. For homebound members, arrangements may be made through Norma to take a picture and collect information. All pictures will be taken in September. The pictures will be individual so we can change items like addresses, cell phones, etc. Single person entries allow the church to keep the directory updated. Requests for print copies of the directory may be obtained from Norma at the church office for $5.00 a copy placed in a three ring binder. We should have a new directory by early November. Individuals and families may request Ron to take and sell portrait pictures. This is by request and must be self-activated.

Garage / Yard / Craft Sale - Saturday, October 14

Held at 2734 Liberty Road near Kearns Hall

By Wayne Sullivan

Please contribute to our Church Garage/Yard/Craft Sale on October 14 from 8:00 a.m. – 2:30 p.m. If you would like to contribute and if it is not too large or bulky, I can pick it up! I could pick up garage sale items between 8 a.m. and 11 on mornings of the week before the sale on Saturday, the 14th. After that, I will be at the church in Kearns Hall, Monday, October 9 through Friday, October 13 between 12 p.m. and 6 p.m., accepting any items you might wish to drop off. I will be there setting up tables and putting out items that have already been dropped off. I would ask that you price items beforehand and there are price stickers on the sign up table outside the church office. Take some with you, when you’re at church on Sundays. We will have bags and possibly some boxes for our “customers” to cart off their “treasures.” We will also be selling crafts, baked goods and canned goods that are contributed.

We will offer the opportunity to anyone (Members only) that would like to sell their own crafts, baked or canned goods. We will set up 1 table and 2 chairs for any interested individuals for $25 - - anyone wanting to use their own tables, we would ask that they contribute that amount or 5% of their sales to the church.

Proceeds from our garage sale will go toward a storage shed that will be attached to Kearns Hall.

If you have questions, you can contact me at (859) 619-8130 or Way8405@aol.com.
